Re: Updated waiver rate chart
Date: July 2, 2015

The Bureau of Developmental Disabilities Services (BDDS) has updated the rate chart for the Family Supports and Community Integration and Habilitation waivers. The chart includes the updated services of Extended Services, which was added to both waivers as well as the Money Follows the Person-CIH grant, and Residential Habilitation daily rate, which was added to the Community Integration and Habilitation waiver only. The waiver rate chart can be found on the Division of Disability and Rehabilitative Services' [Announcements webpage](#).

Information about the new waiver services is available on the [Announcements webpage](#). Please email BQIS.Help@fssa.IN.gov if you have questions about the new rates or waiver services.
